Adding additional services to your plan

The independent funeral director has provided a list of additional services that can be added to any plan. Please see overleaf for your options.

Adding a one off payment to your plan for special wishes

You can also add extra money to your plan and we will keep this safe in our independent trust fund. This extra money can be used for things not listed overleaf, such as a wake, celebration of life service or a memorial.

Adding extra money to your plan isn't a guarantee to cover the future cost of any service, but it can ensure your family won't have to find all of the funds at a distressing time.

Just remember to tell us what you would like your family to use the money for and we'll pass it on at the time of need.

We're here to help if you have any questions or are ready to set up your funeral plan.
